And both can get \$100 dollars, if your friend buys a building. Reach out to acquaintances who are in the market for a new building. Encourage them to get in touch with us at 888-237-2991 or share with them a referral coupon, making sure to mention you as their referrer. We'll provide personalized assistance for their building project, and when they make a purchase, your payment will be en route as soon as their building is delivered.
